*Will serve as Honorary Co-Chairs of the Kahele for Congress Campaign Committee*

March 14 2019

For Immediate Release:

Honolulu, HI – Today, Former Hawai'i Governors John Waihe'e, Ben Cayetano and Neil Abercrombie formally endorsed State Senator Kai Kahele to represent Hawaii's 2<sup>nd</sup> Congressional District in the United States House of Representatives. Governors Waihe'e, Cayetano and Abercrombie will also serve as Honorary Co-Chairs of the Kahele for Congress Campaign Committee.

"Kai Kahele is a born leader," Waihe'e said. "He's a leader in his community, he's a leader in the Legislature and he's going to be a leader in Congress. That's why I'm endorsing him."

"I've known Kai since he was a young boy. I'm well aware of his upbringing and the Kahele family's outstanding values and character," Abercrombie said. "Kai has established a successful career as a pilot for Hawaiian Airlines and as a Major in the Hawai'i Air National Guard. As a Senator he is faithfully carrying on the legacy of his father, my dear friend Gil Kahele."

Cayetano said Kahele exemplifies the term public servant. "He serves his community, his state and his country in uniform," Cayetano said. "He's mature but also young enough to build seniority in Congress. Given how small a Congressional delegation Hawai'i has, that's very important."

Waihe'e was Hawaii's fourth governor. He served in the Legislature and was a key member in the 1978 Constitutional Convention. Cayetano was Hawaii's fifth governor. He also served in the Legislature and as Lieutenant Governor. Abercrombie was Hawaii's seventh governor. He served in the Legislature, City Council and for two decades in the U.S. House of Representatives.

"I served for ten terms in Congress and I can assure you that establishing relationships in the House of Representatives is everything. Kai has the ideal Congressional personality to succeed in working with 434 fellow members," Abercrombie said. "And more importantly, as a life-long Big Islander, he uniquely understands the needs of the residents of the neighbor islands."

"I am honored and gratified by the endorsements of my campaign by these great Hawai'i Statesmen," Kahele said, "I am thankful that they will be a source of advice and counsel as we continue on this journey together."

The 2<sup>nd</sup> Congressional District encompasses Hawai'i Island, Maui, Molokai, Lanai, Kauai, Niihau and the rural parts of O'ahu, including Waimanalo, Kailua, Kāneohe, the North Shore, and the Leeward coast.
